Replacement Sheet

A cross-sectional view of a multi-layered structure. The structure consists of several layers and components. A top layer (10) is shown with a wavy, textured surface. Below this, there is a layer (60) containing two rectangular blocks (75) with internal patterns. These blocks are connected by a central vertical structure (61). Below the layer (60), there is another layer (70) containing two rectangular blocks (72) with internal patterns. These blocks are connected by a central vertical structure (50). The entire structure is supported by a base layer (22) with a wavy, textured surface. The components are labeled with reference numerals: 10, 60, 70, 75, 72, 61, 50, and 22.
